Personal Profile

Computer Science undergraduate with experience in IoT systems and a strong foundation in Python, Data Science, and web development. Certified ServiceNow CIS-DF professional seeking opportunities in software development and ServiceNow roles.

Education

Bachelor of Technology (B.Tech) in Computer Science 2023 – 2027
Model Institute of Engineering and Technology, Jammu

Experience

IoT Intern July 2025 – August 2025
National Institute of Technology (NIT), Srinagar

- Designed and developed IoT-based monitoring systems using sensors and microcontrollers
- Implemented real-time data acquisition and communication between connected devices
- Enhanced system efficiency by optimizing data collection and processing workflows
- Integrated hardware and software modules to ensure seamless system functionality
- Troubleshooted and resolved technical issues to improve system reliability and performance

Projects

Personal Portfolio Website — Live Project

- Designed and developed a responsive personal portfolio website to showcase projects and skills
- Built using HTML, CSS, and JavaScript
- Implemented responsive design for better user experience
- Technologies Used: HTML, CSS, JavaScript, GitHub Pages

Data Analysis Using Python (Academic Project)

- Performed data cleaning and preprocessing using Pandas and NumPy
- Analyzed datasets to identify patterns and trends
- Created basic visualizations to represent insights
- Gained hands-on experience in data analysis concepts
- Technologies Used: Python, Pandas, NumPy

Skills

Programming Languages: Python, JavaScript, C, C++, Html, Css

Libraries/Frameworks: NumPy, Pandas

Tools & Platforms: Git, GitHub, VS Code, ServiceNow, MS Word, VN Editor

Core Concepts: Data Structures, Problem Solving, OOP Basics

Certifications

- ServiceNow Certified Implementation Specialist – Data Foundations (CIS-DF) – ServiceNow
- CMDB & Common Service Data Model (CSDM) – ServiceNow
- Micro-Certification - Welcome to ServiceNow – ServiceNow
- Python for Data Science, AI & Development – IBM
- Introduction to HTML, CSS & JavaScript – IBM
- Introduction to AI & Machine Learning – Google Cloud
- Feature Engineering – Google Cloud
- Machine Learning with the Enterprise – Google Cloud
